

Time for a Change?

Introducing reach ni.
A new consultancy service for the
Community & Voluntary sectors

A new consultancy service for the Community and Voluntary sectors.

The key to successful business is continuous improvement. It is important to understand where your organisation has been, where it is now, and where it needs to be in the future. An independent view provides a fresh assessment of your performance and potential.

What is reach ni?

reach ni is a social economy project that brings together more than thirty years of experience in professional consultancy services to Community & Voluntary organisations.

At **reach ni**, our philosophy is simple. We aim to supply the tools and resources needed to maximise your organisation's potential.

What does reach ni do?

reach ni brings together skilled and experienced consultants to offer solutions to a number of business-critical issues through:

- One to one mentoring
- Ongoing assistance
- Competitive pricing

Areas of expertise include:

- Business audit
- Business planning & Action Plans
- Change management
- Contract management
- Financial management
- Governance
- HR consultancy
- Partnership development & collaborative working
- Performance monitoring & evaluation
- Risk management
- Strategic planning & review

How will reach ni benefit my organisation?

- Organisational stability and sustainability
- Better management of resources
- Improved results
- Increased funder / stakeholder satisfaction
- Ability to meet challenges of sector change
- Improved relationships between staff, management and board
